Opening Ceremony . . .

WE, THE MISSILE STAFF, proclaim this, our 1956 yearbook, an authentic record of our achievements in work and in play.

We have chosen the Olympic games as our theme, as the traditions of these celebrations are closely related to the spirit and growth of the students. The Olympic emblem, the torch, is especially appropriate to symbolize the high and everlasting inspiration of each class which has carried it.

The torch that has been carried for many years has finally passed into our hands. The flame glows with eternal fire, yet it will flicker. As the flame fights to keep alive, so will the students of P. H. S. fight to keep it a living symbol forever. They will fight to overcome the disappointments and to cope with the unfortunate situations which life provides.

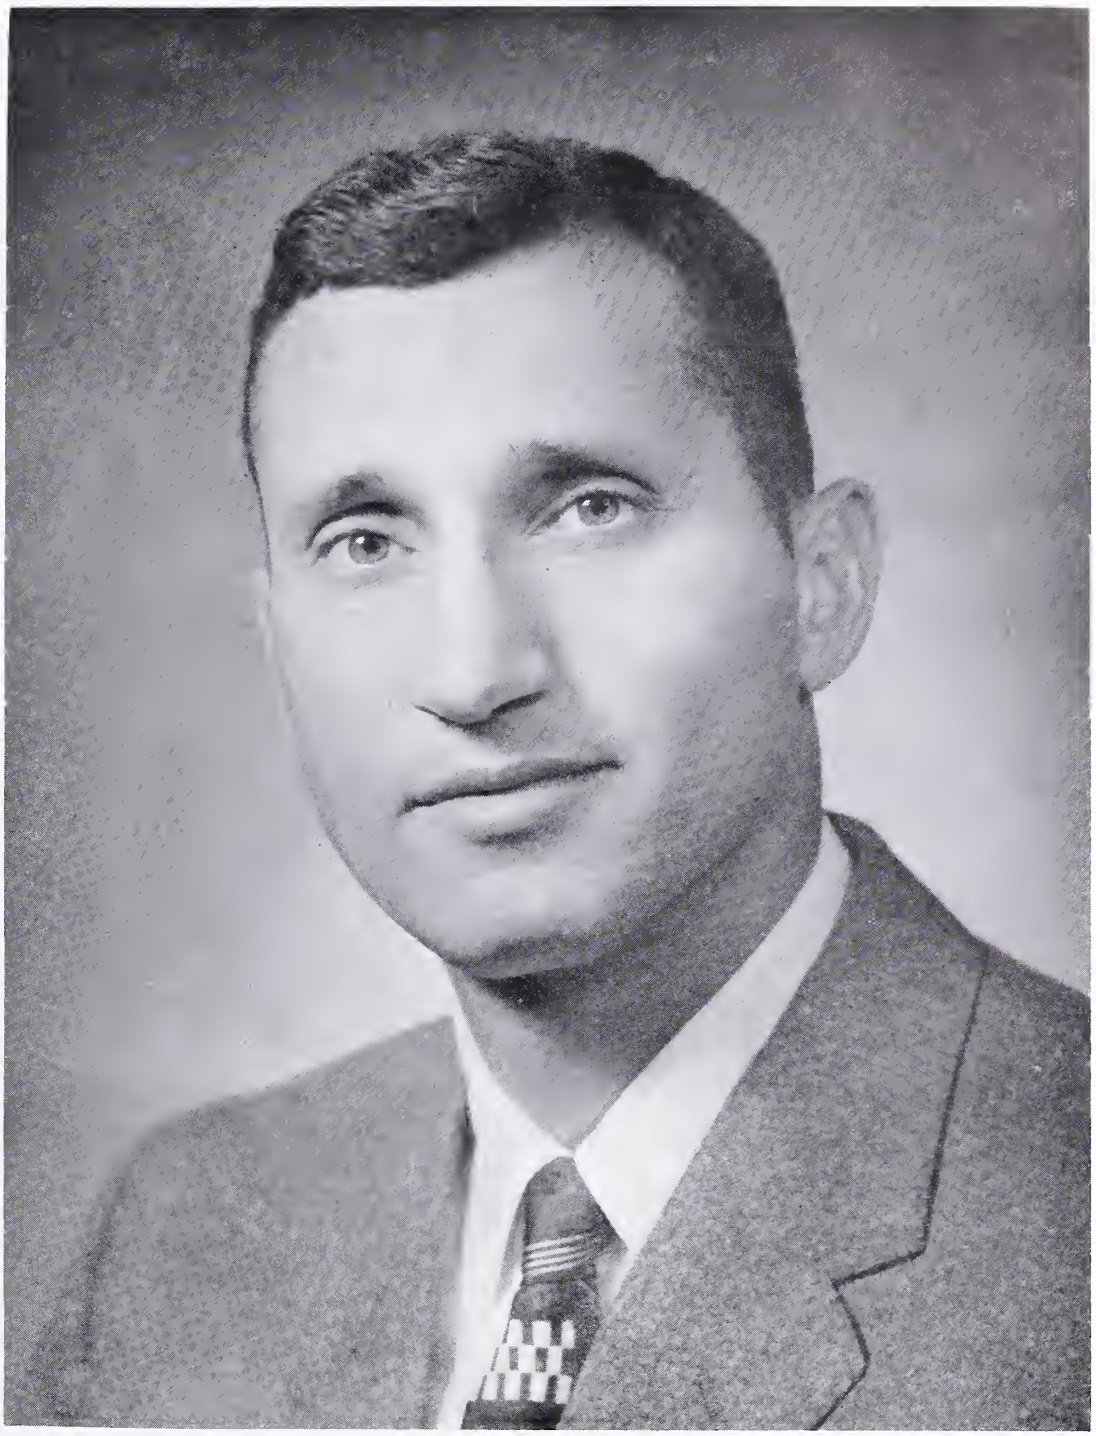
It is the duty of this, the class of 1956, to preserve the light, that it may be passed down to future classes with the same vigor and spark as it had when it was handed down to us.

Olympic Ideals . . .

"The important thing in the Olympics is not winning, but taking part; the essential thing in life is not conquering, but fighting well."
BARON DE COUBERTIN

DEDICATING YOUR LIFE to the training of youth is certainly a wonderful contribution. There are few vocations more important than the training of tomorrow's citizens—the pastors, the parents, the politicians, the doctors, the nurses, the educators and the future leaders of our country. Mr. Robert L. Kilbourne has served our school for twelve years as head coach of basketball. During this time he has also directed physical education at the elementary schools of the city.

Surely many students have been greatly influenced by his outstanding character, his standards, and his ideals. Mr. Kilbourne teaches true sportsmanship. He stresses not only the importance of fighting hard, but also the value of playing honest ball. He promotes teamwork rather than individuality. He not only trains boys in basketball, but also teaches the really important things, the lessons and niceties that will aid them through their lifetime. In teaching sportsmanship and teamwork, he is helping to round the character of citizens to be—an important factor in the future success of our people, our nation, and the world of tomorrow.



ROBERT L. KILBOURNE

Our Judges . . .

OUR JUDGES—our teachers.

Our judges are advisors, guiding us from the start to the finish, giving a fair verdict of our accomplishments. They give us preparation for the hurdles ahead. Proud in heart, dignified in stature, a symbol of achievement and devotion to truth are our judges, the faculty of Petersburg High School. When our torch flickered and the way seemed dark, these kindly guides supplied us with courage to continue in spite of obstacles.

Companions, guides, educators, and advisors—words cannot express our love and gratitude to our judges, our teachers.

THE

SENIORS

OUR

CHAMPIONS

Champions . . .

THE MEMBERS of the Senior Class of Petersburg High School are the champions of this 1956 *Missile*. For four years they have strived to obtain this high honor.

The class of '56 will be the first senior class to be represented in the *Missile* organized as a yearbook. This is a great honor, and the seniors have done much—devoting their time and energy to making this *Missile* a worthwhile project.

This senior class has been a very outstanding one in many ways. The students have excelled in scholarship and have contributed much to the spirit of Petersburg High School by participating in school activities.

In June, members of this class will graduate, and the last lap of the Olympic race will be completed. Each will then go on to run his own separate course, whether it be in furthering his education, entering a branch of the service, or engaging in a chosen field of work.

May the Olympic torch be a symbol for this senior class, and may it always burn brightly in remembrance of the class of 1956.

SHELBY ANN ADCOCK
Commercial

"Polly" . . . quiet . . . hobby's piano . . . must some people be conceited? . . . likes football, baseball, basketball . . . friendly . . . must we have tests? . . . eating's nice . . . determined to finish whatever she starts.

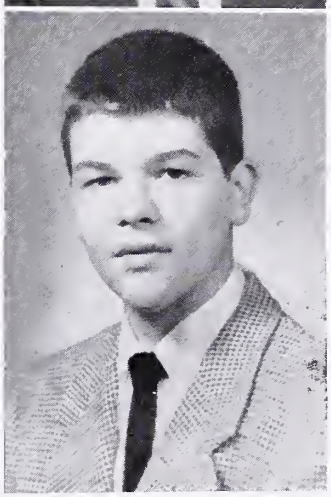
Manager of JV and Varsity Basketball Teams, '52-'54.



Reflections

by

Mildred Moore

Pause, my friends, within the doorway,
Give the past one last farewell.
All your future lies before you.
What will happen? Who can tell?

Now you stand upon the threshold
Of your life—what will it be?
Will you reach the heights of fame
Or sink to the depths of infamy?

Your life is what you make it now.
Gone are the carefree days of youth
Keep the high ideals you treasured:
Courage, honor, love, and truth.

Forget the petty little heartaches
That were so important then;
The happy days, the friends you made
In memories will live again.

Now close the door—leave the past behind you.
The past and future do not mix.
You're graduates now—may God be with you,
Class of nineteen fifty-six.

Runners-Up . . .

THE IMPORTANT THING in the Olympic celebration is to pass the torch on from person to person as an everlasting symbol of hope and inspiration.

The seniors have shown their worthiness in holding the torch high, and now it is almost time for them to pass it on to us, the juniors, who will accept the challenge of preserving the flame according to tradition as well as the seniors of 1956. In turn, the juniors will present the torch to the sophomores, the class of 1958, and from them it will go to the freshmen, the class of 1959.

The seniors have set a good example for us to follow when we assume their place. They have shown us how they handle problems and how they take part in activities. We feel that we must do our best in everything to show we are worthy of taking their place. We must be able to set a good example for those that will hold the torch after us.

Olympic Holiday . . .

When the Olympic games began, a great people participated in them. The Greeks were strong and cultural, proud of their social and intellectual activities.

Music was an essential part of these people. Petersburg High School is not very different with its Band and Glee Club.

The Greeks were among the founders of drama and oratorical presentations, in addition to valuable literary contributions to the modern world. The Dramatics and Speech Clubs, along with the Missile staff, the Cockadette staff, and Library staff gives these things in school.

A social life was important to the Greeks. The GP, and OG, and Square Circle clubs for girls provide a social atmosphere and accomplish many worthwhile projects. They, along with the Key Club, Hi-Y, and Tri-Y, work together to support school functions.

The Greek government has been the foundation for many laws of our modern civilization. The SCA is our school government. Cooperating with it are all of the many activities, including the Senior Committee, DE Club, Monitors, and Projection Crew.

To the Greeks, home-life was very important. The FHA today trains young girls for their future in homemaking.

A better understanding of the other countries is very essential to any nation. Our Spanish and French Clubs promote this better understanding.

Any country must have patriotism. Any school must have school spirit. The cheerleaders instill this in our students.

All these activities make up Petersburg High School. Without them our school wouldn't be the strong school it is.

Triumph in the Arena . . .

A HUSH FALLS OVER THE CROWD; you can feel the tension, as from the groups of young men, one great bronzed giant steps forward. He is tall and muscular, yet lithe as a cat, and he walks with the stride of a man who has accomplished the dream of dreams, straight to the judges' pedestal, where he is crowned with the laurel wreath—the sign of an Olympic champion.

This on, down through the years these great athletes have advanced to receive the laurel wreath, the symbol of great athletic skill and also the token of a far greater quality—sportsmanship and fair play.

For the past few years at P. H. S., the Crimson Wave teams have not always been high scorers, but the players are, above all, noted for their keen sense of sportsmanship and fair play.

Gridiron Review . . .

P. H. S. - 33 — APPOMATTOX - 0

The Petersburg High Crimson Wave opened its 1955 football season with an impressive 33-0 win over Appomattox High, a strong Group II school. Held to a seven point lead at the half, the Wave came back with four TD's during the third and fourth quarters. A pass play from quarterback James O'Berry to Co-Captain Ronald Pond covered 85 yards, and proved to be the game's outstanding play. Other Wave TD's were Buck Wingfield with two, and Barry Ozmore and Eric Hamilton having one each. The entire Wave team played well, both on offense and defense, with line play led by Co-Captain Webby Miles.

P. H. S. - 0 — JOHN MARSHALL - 19

The Crimson Wave suffered its first setback of the season at the hands of a strong John Marshall High School eleven, 19-0, a game much better played than the score indicates. P. H. S. held the powerful Justices to a scoreless tie until the final minutes of the third quarter when the visitors gained a 7-0 lead. During the fourth quarter two Wave fumbles lifted the J. M. margin to 19-0. The strong reserve strength of the visitors from Richmond helped turn the tide in their favor.

P. H. S. - 0 — LANE - 0

The third game of the Crimson Wave season resulted in 0-0 tie with Lane High, a game played in Charlottesville. The Wave, who dominated the play throughout the entire game, failed to take advantage of two scoring chances late in the game. The Wave defense kept the Lane team in the shadow of their own goal throughout the contest. Barry Ozmore and Jerry Sparks played outstanding ball for the Wave. Although the game was played away, a large body of students and fans attended the game.

P. H. S. - 0 — THOMAS JEFFERSON - 34

The Crimson Wave ran up against one of the strongest teams in Group I competition in Thomas Jefferson High, and fell to a 34-0 defeat. With the Wave holding the Jeffs to a scoreless first quarter, the power of the Thomas Jefferson team turned the tide through the remainder of the game. The fast T. J. backfield slipped through the P. H. S. defense for many sizable gains which resulted in the score of the contest. James O'Berry turned in a fine defensive game for the Wave backfield while Mike Irvin did a good job up front.

P. H. S. - 0 — HOPEWELL - 6

The Crimson Wave playing their traditional rival Hopewell, on the latter's field, lost a muddy and hard-fought game 6-0. The Wave going into the game a heavy underdog, played the arch rivals on even terms throughout the contest until the last minute of the game, when Hopewell halfback, Elsworth Shannon, went over from the five and gave the Blue Devils a 6-0 lead. The P. A. T. was too wide. The Wave offense pushed the ball far into Hopewell territory, but the drive was stopped when a fifteen-yard penalty pushed the Wave back. Dick Perkinson, Wave linebacker, played a great defensive game, breaking through the Blue Devils' forward wall and dropping the backs for no gain. A crowd of about 9,000 witnessed the game.

P. H. S. - 7 — HIGHLAND SPRINGS - 25

The Highland Springs High School football team displayed some unexpected power along with a fifty-yard punt return to score the visitors' first touchdown and were never behind after this. With the Springers leading the Wave 25-0 late in the fourth period, Wave quarterback, Barry Ozmore, picked up a Springer fumble and raced twenty-five yards for the losers' only score. Wayne Whelan added the P. A. T., thus making the final score 25-7. Wave end, Ronald Pond, and halfback Larry Belcher were lost for the remainder of the season from injuries received during the game.

P. H. S. - 0 — WOODROW WILSON - 13

P. H. S. playing one of its better games of the year, lost a hard-fought 13-0 game against Woodrow Wilson Presidents of Portsmouth, on the visitors' field. Holding the big and heavily favored Portsmouth squad for three quarters, the Wave fell behind two TD's in the final period. The Wave defense dug in time after time, forcing the opponents to the kicking situation. Mack Atkinson played outstanding defensive ball for the Wave backfield, along with Jimmie Pond and Buck Wingfield.

P. H. S. - 0 — WARWICK - 7

The Crimson Wave, outplaying their opponents both on offense and defense, lost a close game to the Warwick High School Farmers, 7-0, at Warwick. A Wave fumble on its own eight-yard line, resulted in the game's only score. Previous to the Warwick score, the Wave twice held the Farmers within the ten-yard line. Although held scoreless, the Wave moved the ball well on the ground, with James O'Berry, Buck Wingfield and Eric Hamilton doing most of the carrying. George Williams' long kicks kept the Farmers with their backs to their own goal time after time. Wayne Wawner, Bobby Hamilton, and Webby Miles played well, both offensively and defensively, for the Wave.

P. H. S. - 26 — HALIFAX - 0

P. H. S., winning its second game of the year, romped over the Halifax High Sehool eleven 26-0, at Cameron Field. The Wave kept the visitors in close check throughout the game. Ronnie Walker, Wave tailback, played his best game of the year by getting off two TD's, while Barry Ozmore also tallied twice. Wayne Whelan converting two of four increased the margin. P. H. S. celebrated its homecoming game not only with a victory, but the 1930 squad witnessed the game as guests.

P. H. S. - 12 — HERMITAGE - 19

The traditional game with the Hermitage High School Panthers on Thanksgiving morning turned out to be the best game played at Cameron Field during the year, the Panthers winning the contest by a seven-point margin. The heavily favored Hermitage Panthers were behind the Wave 6-0 at the half as Dick Perkinson, Wave halfback, carried over from the six late in the second quarter. The Wave seored again right after half-time on a two-yard plunge by James O'Berry. After this the Panthers came roaring back for three scores in fifteen minutes, winning the game by a final score of 19-12. The Wave's "Moe" Odenwelder and Algie Pulley did excellent work in the line, while Barry Ozmore shone in the baekfield.

PRACTICE SESSION—Dick Perkinson dashes through line of dummies on hand-off from Ozmore as Frank Teass watches. Left to right: Barry Ozmore, Algie Pulley, Dick Perkinson, Frank Teass.

Closing Ceremony . . .

THE EDITOR of the *Missile* makes the following declaration:

"In the name of the *Missile* staff, after having offered to the faculty, students, and people of Petersburg, to the authorities of the school board, and to the organizers of the *Missile*, our deepest gratitude, we proclaim the closing of this annual. In accordance with tradition, we call upon the juniors to assemble next year at Petersburg High School, there to edit, like us, the *Missile* for 1957. May they display ingenuity and diligence so that their book may be carried on with even greater pride and honors for the good of humanity throughout the ages."

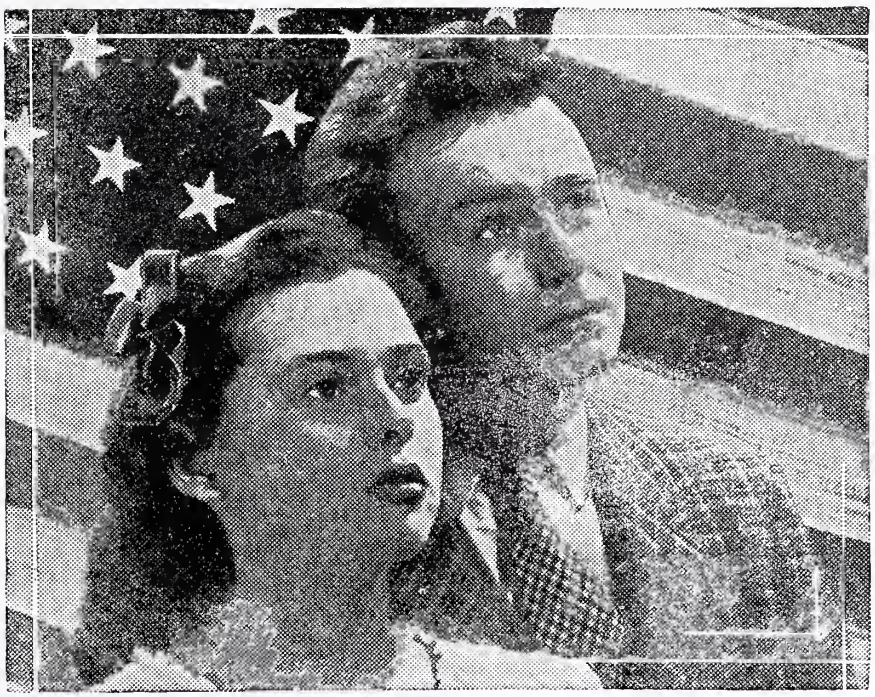
GOOD GAS SERVICE MAKES WARM FRIENDS



CONGRATULATIONS, GRADUATES!

Although now, you are graduates, you can do a great service for the rest of us, if you never cease to be students — looking for opportunities and ways to cherish the American system of free enterprise and to improve the American way of life. You can be thankful for free schools in a country where you are free to worship and work and think and talk as you please. This is your heritage from the people who built America.

THE FUTURE is pretty largely in your hands — you must be vigilant and active to combat the evils of socialism, government domination of private industry, and all the "isms" that destroy democracy. We depend upon you to do a good job.

GOOD LUCK!

The Petersburg and Hopewell Gas Company

FRANCIS K. GODWIN, *President*
